PREPARE FOR REVENGE

Call of Duty: Modern Warfare 2 is set several years after the conclusion of Call of Duty 4: Modern Warfare. The radical Russian Ultranationalist organization has returned to prominence under the leadership of Vladimir Makarov, a former associate of Imran Zakhaev with his own ambitions. Makarov has publicized Zakhaev's death as an act of martyrdom to garner support for his cause, enabling him to build a strong power base in Russia over the years. Fearful of Makarov's growing influence, the global community established Task Force 141 to counter the threat posed by the resurgent Ultranationalists.
